Happy New Year

Our re-enrollment process for the new 4-H year, came to a close on November 1st. New 4-H members can join any time before March 1st. We encourage you to sign up for your 4-H Projects and continue to learn by doing throughout the year. Explore new projects and expand your horizons.

As I start my second year as the Jefferson County Interim 4-H Youth Development Educator, I look forward to helping “make the best better.” As we reflect on our past successes, we need to seek a vision of the future. Our community and our country continue to adapt to constant change that engulfs us. For over 100 years, 4-H Youth Development programs across the country continue to be resilient and relevant.

Volunteers transition to new roles, yet the core values of character, leadership, and youth development remain the grounding principles of every 4-H project and community. Every county in every state provides educational programs from the research base of our Land Grant Universities. Yet, every program does not look exactly the same across the state of Wisconsin. We explore new ways to organize, serve and teach.

Cooperative Extension remains the educational program of the United States Department of Agriculture, even as our content extends well beyond our rural roots. 4-H in Wisconsin provides positive youth development with the dual focus - providing educational programs for youth and youth development leadership for communities. 4-H clubs and groups are created solely to extend and support UW-Extension’s youth educational programs.

The 4-H Youth Development Educator is charged with overall leadership and oversight for all 4-H Youth Development programs. This includes guidance and support for the 4-H club program, other 4-H educational programs, and serving as a community leader in youth development. The UW Extension Staff work closely together to maintain programs consistent with the purpose, vision, and values of Cooperative Extension’s 4-H Youth Development program.

4-H Youth Development Educators & County 4-H Leader Organizations

I hope that everything we do, promotes positive youth education for the residents of Jefferson County. 4-H is about the youth growing into caring and competent adults with good character.

- Bruce
A November Thanks
At the end of the month, we will gather with family and friends to give thanks. I want to give thanks for all the volunteers who support the 4-H program in various ways. November gives us an opportunity to be thankful for their dedication and devotion to "Make the Best Better." In October, UW Extension thanked leaders, members and supporters with recognition at the Awards Celebration. If there is someone, you’ve not thanked for their support and encouragement during the past year, it’s not too late to send a nice handwritten note. It’s never too late, so do it today!

-Bruce

Welcome New Families
We would like to welcome our new families to the Jefferson County 4-H program. Please know that if you have any questions or concerns we are here to help. The office contact information is located on the back of this newsletter along with phone numbers for the directors of the Leaders Board. Please never hesitate to call.

Scholarships Available For Dues
Did you know that the Jefferson County 4-H Program provides scholarships to assist families who are unable to afford the $25 dues required for membership? If your family or a family you know is in need of a financial assistance, please send an e-mail to kimb@jeffersoncountywi.gov. Please include the name(s) of the youth needing assistance and their 4-H club. This information is kept confidential.

If you or someone you know would like to help youth in the future please consider making a donation to the Scholarship Dues fund. This can be done through the UWEX Office; just indicate "Dues Scholarships" in the check memo line or somewhere with your donation. We are working hard to make 4-H accessible to everyone!

Dairy Promotion Funding
Jefferson County Farm Bureau gets money from the Wisconsin Milk Marketing Board to promote the dairy industry and dairy products. This is a great opportunity for clubs to promote dairy, and have some or all of the expenses paid for. Interested clubs should contact Melissa Gross by phone at 920-988-7583 or email mgross43@yahoo.com.

Newsletter Submissions
If you are hosting a project meeting, activity or event that the entire county should know about, please be sure to submit your article to the Extension Office by the 15th of the month so it can get in the newsletter. This includes any project meeting dates, community service or fundraisers that might be relevant to members outside of your club. Please note: we may edit submissions based on newsletter space and appropriateness.

Officer Training
The new 4-H year is starting which means that new officers are working hard to make meetings run smoothly. Officer training will be held on Tuesday, November 14 at the Fair Park at 6 p.m.

Please email Bruce at bruce.a.jones@ces.uwex.edu with the number of individuals that will be attending from your club by Thursday, November 9th so we will have adequate hand-outs. The agenda for the evening will include group activities and training for specific officers. Any club member with interest in learning more about being an officer is welcome to attend; of course, your officer team should be there too.

PLANT AND NATURAL SCIENCES

Create a Take Home Item using Natural Materials
Natural materials such as berries, cones, flower or weed pods, grape vines, or live greens will be used to create a plant craft item. Meeting will be held on November 27 at 6:30 p.m.

This activity will provide skills for identification of plant materials and a fun time creating simple Christmas or Winter decorations. You may bring clean dry cones or seed pods, if you have some. Look for Milk Weed Pods or other seeds pods while we still have good weather.

Also, outdoor ribbon or ribbons will be useful. These will be available along with other items. A donation of $1 per person for materials will be helpful.

Please RSVP by Monday, November 20th so materials will be available for all attending. Let’s have a creative project evening! Contact Sharon Schweitzer at 920-674-2544 or rwses@idcnet.com for more information or questions.

Winter Market Event
On November 4th, join Sharon at the Jefferson Winter Market any time between 9am and 4pm. The Market will be held at the Fair Park Activity Center. You will have an opportunity to make an item for Christmas from natural materials or help others make an item. Also, learn or tell others what materials can be gathered to make other items or use to decorate for Fall or Christmas.

November is also a good time to gather info and/or examples for a hunting and wildlife projects. Will you be feeding the winter birds or making shelter areas for small mammals? Or are there too many of a species in your yard or local area? What kind of management practices are good and when should they be used? Would you like an activity meeting focused on the wildlife project area?

Saturday, December 16th (tentative)
The Christmas Bird Count is held each year by the National Audubon Society. The Friends of Rose Lake will hold one here in Jefferson County on December 16th. Join them for a great Saturday experience in observing birds and our environment. Contact Sharon for more details and to take part. It’s always interesting to find out how many different birds are hanging around for Christmas. Surprising fun!
December brings thoughts of winter activities and holidays. Choose and plan a project activity. For example, create a Christmas wreath for the birds or take a winter hike for an adventure activity. Write a winter poem or story about your hike or the birds at the feeder.

Christmas is a great time to add an ID book about birds, wildflowers, WI mammals or that extra backpack or new sleeping bag to the gift lists. Enjoy the Holidays and the wonderful world we have around us. Let’s be Thankful for it, Enjoy it, and Care for it. Questions, Comments, Suggestions are always welcome. Sharon Schweitzer at 920-650-7110 or rwses@idcnet.com

## Special Emphasis News

2018 Special Emphasis Theme
“4-H’ers Today, Leader’s Tomorrow”

Don’t forget about our Special Emphasis Theme for 2017-18! As you plan your events and meetings for the upcoming year, make sure to discover today’s leaders who were 4-H’ers. The Special Emphasis Packet was handed out at the October Leaders’ Association Meeting and is available online. [https://jefferson.uwex.edu/4-h-youth-development/special-emphasis/](https://jefferson.uwex.edu/4-h-youth-development/special-emphasis/)

**CALLING ALL 4-H ALUMNI**
Did you or someone you know participate in 4-H when they were younger. Whether they participated in 4-H in Jefferson County or another state, we’d still like to connect with our 4-H Alumni. There is a national effort to connect current 4-H’ers with 4-H Alumni in their area. Please share this link to the Google Form. [https://goo.gl/forms/3lMAN1DogubyI1WI3](https://goo.gl/forms/3lMAN1DogubyI1WI3)

By filling out the form, the Alumni will be added to a database. Through this database we hope to keep Alumni informed with 4-H events in the county and show alumni that the new Jefferson County 4-H members are carrying on their legacy. Let’s see how many 4-H alumni members we can get registered with this next year. We give thanks of all our 4-H ALUMNI!!!
Country Roamers had a Halloween Party meeting on October 7th at our leader, Pam Drewek’s house. Everyone dressed in costumes including the parents. Each member painted a pumpkin. We also did a tiny pumpkin painting technique with water and nail polish which was fun. After we painted pumpkins we played games including a relay race to find the eyeball in the hay, an M&M straw race, mystery boxes, and seeing how many cheeseballs you can get to stick to a parent’s face that is covered in shaving cream. When we were done with games, we had a potluck dinner together. It was a lot of fun.

Farmington All-Stars

This month we did many exciting things. We first figured out the top 5 sellers who won the pizza and pie sale, most of the top sellers got into the thousands so good job Farmington All Stars!!! We also went to Tractor Farm and Supply to raise money for 4-H week. We brought animals to the store. There was a goat, a cow, two rabbits, and a chicken there were also displays there. I brought the goat and it was so much fun even though the weather wasn’t good. Another thing the Farmington All Stars have going on is the officer’s training camp. We just elected new officers last month which were President Emma Statz, V.P. Miranda Blake, Secretary Jolee Miller, Treasurer Drew Dettmann, reporter Ava Oleniczak and Historians Haddie Altreuter, Coleen Wilson and Mackenzie Thom, so now this is a chance for the new officers to learn a little more about the position they have. That is what the Farmington All Stars did this month.

Ideal Clever Clovers met on October 21 at the Fort Atkinson Library. We talked about Pizza and pie and how much the club made. Then we went over enrollment that needs to be in by Nov. 1. Then Tammy asked if anyone turned in a Record book or project awards. She suggested that everyone in the club should find out who in their family was in 4H. She also talked about the Special Emphasis that we are in charge of for 2017-2018. The meeting ended at 10:53 and we started our banquet. The banquet had awards for things that we did all year. Tammy congratulated our past years Club Officers. She then gave a cup and pencil to our new members and Cloverbuds for last year. She then gave lanyards to all the leaders of our club.
