## 4-H CLOVER AWARD

(Changes made due to COVID-19)

All Jefferson County 4-H members **third grade and older** are eligible and encouraged to participate in this countrywide special recognition program.

The Clover Award Program is designed to recognize 4-H members for their active participation in club and county activities and events. By participating in activities and events, members can earn points towards recognition steps.

4-H members may take more than one year to earn a Clover Award before starting to earn the next Clover Award. This means you may take 13-14 months to finish before starting the next "Step" in the current 4-H year.

You may take a point for an activity or an event only once. An activity or an event cannot be repeated on the application. You cannot carry over points (or activities) to the next "Step". The 4-H year is October 1 to September 30.

The program has five recognition steps each having minimum requirements for completion. A Clover Award certificate and frame will be given to those earning their Green Award. Award seals will be given upon completion of each step, and upon completing their Emerald Award members will receive a \$50.00 honorarium. The recognition steps include:

Step #1 Green Clover Award	15 Points
Step #2 Bronze Clover Award	18 Points
Step #3 Silver Clover Award	21 Points
Step #4 Gold Clover Award	25 Points
Step #5 Emerald Clover Award	30 Points

The Clover Award recipients will be notified and the awards distributed during the "4-H Recognition Celebration" awards ceremony. Any questions, contact your club general leader or the Extension Office.
