Tack Sale Review – foot traffic was down. Area was cold, people had blankets. Vendors were overflowing the aisles. Thoughts for next year to move people out of the main area to the secondary area to increase foot traffic. The spaces could be made larger for another few dollars. The February Countywide meeting will be run by AnnaLisa. It is also Hippology night. Terri will pick up the boards a week out. JCHP Handbook and Constitution will be presented to the membership. Tack Sale recap. (donations!)
